

Discussion Guide

After watching the *ODARA Deep Dive* video, reflect on and discuss the following questions with your team.

- 1. What did you learn about the ODARA that you weren't aware of before?***
- 2. Is the ODARA the correct assessment for what your jurisdiction is hoping to do?***
- 3. Will you be able to obtain all sources of information (such as criminal history) needed to complete the ODARA?***
- 4. Will your jurisdiction be able to implement the ODARA as described? Is any further support needed from other agencies, partners, or contributors in your community to help with implementation?***
- 5. Will any policies or procedures need to be developed to support the implementation of the ODARA?***
- 6. What steps will you take to understand how the ODARA may impact diverse populations in your jurisdiction?***
- 7. What does success look like for you upon the implementation of the ODARA?***
- 8. What remaining questions do you have for the author of the ODARA?***
